COMMUNITY PULSE

Next summer, families in Gilbert will have a new option to beat the summer heat and stay cool.

The Town of Gilbert announced a private-public partnership with Strand Resorts to build and operate “The Strand @ Gilbert,” a 25-acre water park that promises “water activities for every age.” It will be part of Gilbert Regional Park, the 272-acre multi-phased park that is under construction near Queen Creek and Higley roads.

Water activities include cable-based wake boarding, skiing and knee boarding; an inflatable water park; a surf lagoon; an “Aqua Park” challenge course; a sand beach and swimming areas. Plans also call for an indoor arcade, a restaurant and bar, floating tubes and kayaks, canoeing and paddle boarding.

It is expected to open during the summer of 2020!

"LINK" - OUR COMMUNITY COMING TOGETHER

Coming together as a community is something that we could all benefit from! There are many opportunities to come together and make a difference such as volunteering opportunities, charity work, canned food drives and much more! As a community, we can get together and give back to one another, supporting the people that are around us and showing our community that we are invested in each other.

This month we are going to "Flash Mob" as a community!

Come out and support for our local Fire Station # 9! We are planning a Flash Mob Dinner for our local Firemen.

April 20, 2019 5:00 PM

Our Community will be bringing, serving, and eating dinner with our local courageous crew. If you would like to bring a dish and join in on the event, please email Liz Dora at elizabethd@driggstitle.com.

Imagine YOUR life with a coffee in your hand and local celebrity status because your photo is **featured on the cover** of The Bridges May Newsletter!

This could be you! All you need to do is snap a fabulous photo that has a story behind it, and submit it for the chance to win!

We can't promise any red carpets, but you will receive a \$15 Starbucks gift card, and you can tell your story in the newsletter!

Hello, for those of you who don't know me, I am Jason LaFlesch. I have been selling real estate for the last 25 years and love every minute of it! It doesn't even feel like a job to me. Yes, that's how much I love it! Both my wife Jennifer and I own Results Realty and have a very dynamic way of approaching real estate. I think "outside the box" and have some really incredible marketing techniques that get my clients top dollar for their homes.

Quick Tip for all you Bridges homeowners for the month of April: If you are thinking of updating your home and you want the most bang for the buck, consider updating or sprucing up the kitchen and the master bathroom. When it comes to dollars spent updating your home, spending your hard earned money on those two locations in your home will, in almost all cases, be your smartest move and bring you the most return on your investment.

For all of your real estate needs whether buying or selling or if you have any questions regarding your home and a potential remodel, call or email me anytime. Jason@ailaz.com or call me!! 602 369 4663 and YES!!!.... I DO answer my phone.
